ENGINE PARTS MASTER PRICE LIST
FORM MS-7299

Suggested U.S.A. Prices. Prices outside of U.S.A. subject to local import duties, taxes, etc.

Following is a list of new numbers and superseded numbers that have occurred since Master Price List MS-7023 dated August 1, 1978 was printed.

- | | |
|--------------------|--|
| Disposition Code A | Put old part number in stock under new number since old and new numbers are interchangeable. |
| Disposition Code B | Return to factory through your source of supply. |
| Disposition Code C | Use old part number when ordered until stock is depleted. Do not fill orders for superseding new part number with old part number. |

For other changes such as price, stocking code, standard packaging, etc., consult new Master Price List, MS-7299.

NOTE: Price changes, too numerous to list herein, are shown in Master Price List, MS-7299, dated August 1, 1979.
